Dear Senator Vinehout,

It is my honor to inform you that the Board of Directors of the Wisconsin Association of PEG Channels (WAPC) has selected you to receive the organization's 2008 Friend of Access Award. This annual award is presented during the Friday Luncheon of our Spring Conference.

Your efforts and those of your staff on behalf of PEG channels during the fall legislative session were heroic. The award is hardly adequate to express our gratitude.

We would be honored if you or a representative could be present to accept the award and say a few words. The luncheon will take place at the Paper Valley Hotel, 333 W. College Avenue in Appleton at 11:30 am on Friday, May 2nd.

The Spring Conference is an opportunity for representatives of our 49 member organizations to share information and ideas. This year, more than ever, we will be discussing the changing environment for Access and planning for the future. The highlight of the conference is always the WAPC Video Festival Awards Banquet on Friday Evening. It's an opportunity to celebrate the diverse range of local programming that PEG stations across the state provide for their communities. Of course, you or your representative would be welcome to participate as our guests in as much of the conference as you wish. A complete schedule will be available on our website soon. Please contact our Executive Director, Mary Cardona, and let us know if you can attend.

Cordially,

Joel Desprez
President
